

*The Division of Developmental Disabilities
& Family Support Center of New Jersey
Invite You to a Free Education & Information Session!*

Preparation for Life After 21

Life After 21 is a two part training series addressing the concerns of students with developmental disabilities ages 19 & 21 and their families as they approach the adult service systems.

Life After 21 Part II - provides skills and tools to plan supports and services based on individual needs. This session provides current information on The Division of Developmental Disabilities (DDD) Day Services -including Traditional Day Programs and Self-Directed Day Services, Division of Vocational Rehabilitation Services (DVRS) information, and Division of Disability Services (DDS). Resource Information for adult services will be distributed.

Students with developmental disabilities ages 19-21 and their families are encouraged to attend!

Please let us know if you need special accommodations when you register.

Please register as soon as possible seating is limited.
