

*The Division of Developmental Disabilities
& Family Support Center of New Jersey
Invite You to a Free Education & Information Session!*

Life Line for the Journey

Have you been wondering what the future holds for you and your family member with a developmental disability? At this session you will learn about the different systems that may touch your life, what each has to offer, and what some of the similarities and differences are among them.

Come discover what your next steps might be to help your child and your family. Join other families, become empowered and engaged in life's journey!

Parents/Guardians of children
from birth to age 14 are
encouraged to attend!

Please let us know if you need
special accommodations when
you register

Please register as soon as
possible as seating is limited
